Goals of the Redbud Read-Aloud Award Program:

- Build listening and analytical skills using quality, fun literature.
- Experience concept of choice and voting procedures.
- Increase enthusiasm and future participation in the OK Sequoyah Book Award Program.
- Honor an author whose book has been enjoyed by children across Oklahoma.

The Titles on the 2019 Redbud Read-Aloud Award Masterlist Have:

- Been evaluated and selected by The Brown Brothers, 50 amazing teachers and librarians, and a 2nd-grader with a voracious book appetite.
- AR level under 3.0 and primary interest level.
- Copyright dates from July 1, 2017 through June 30, 2018.
- An author residing full time in the United States.

Recommended Timeline:

Begin reading the sixteen Redbuds aloud anytime and submit votes by April 30th.

Other Recommendations:

- Invite classroom teachers to do the Redbud program in their classroom, either as part of their curriculum, or perhaps throughout the year during indoor recess.
- Invite principals, parent volunteers, community partners, and older students to be guest readers.
- Invite specials teachers to participate by reading Redbud books that apply to their curriculum.
- Contact Kyle and Kenneth for support or to give feedback.

Voting Rules:

- Each single vote should reflect one individual classroom's Redbud experience.
- Each classroom receives one vote based on its own exclusive Redbud competition.
- Whole-grade and whole-school voting is fun. If that's the only way it will work for you – no problem! We're glad you participated - we just can't accept your votes.
- Each classroom should name their own winner from the list of sixteen books.
- Use the attached form to send in your results.

Below are three suggested strategies for completing the Redbud program.

Suggested Program #1: Bracket-Style

- Read **two** books aloud to each week to each class & vote immediately via show of hands or secret ballot. This will eliminate one book each week, leaving eight books.
- Re-read the eight remaining books, two per week, and vote via show of hands or secret ballot. Four books will remain.
- Re-read the “final-four” books in one session and vote via secret ballot.
- All students in classes where Redbuds were read aloud and enjoyed are eligible to vote.
- A bracket can be used to keep track of the books.

Suggested Program #2: Bracket-Style (Faster)

- Read **four** books aloud to classes each week & vote via show of hands or secret ballot. This will eliminate three books each week, leaving four books.
- Re-read the “final-four” books in one session and vote via secret ballot.
- All students in classes where Redbuds were read aloud and enjoyed are eligible to vote.
- A bracket can be used to keep track of the books.

Suggested Program #3: Rating-Style

- Read **two, three, or four** books aloud to classes each week & have each student rate the books using a scale of 1-5.
- After all sixteen books have been read aloud, average the scores.
- Read the four top-rated books in one session and vote via secret ballot.
- All students in classes where Redbuds were read aloud and enjoyed are eligible to vote.

Exciting Idea for your school:

- While conducting each classroom’s exclusive Redbud competition, add votes together by grade or by school and create a school-wide bracket and display prominently.
- Make sure to maintain each classroom’s individual results so each class is naming their own exclusive winner.
- It will be fun to name a winner for each school and/or each grade, but remember, we only accept results that represent each individual classroom’s winner.

If you would like your own custom bracket, please contact us, or check www.brownbrothersbooks.com soon for a special link where you can create your own printable bracket with book covers.
